LAURA TOXVAERD COMPOSITIONS PART 2

**WITH
DØDENS GARDEROBE**

Since the release of her debut album No. 1 in 2007 – forming an album trilogy with *Do Drugs (2010)* and *Phone Book (2012)* – Toxvaerd's adventurous, gifted and conceptual compositional works have generated international critical respect. Her compositions are released on 12 albums and have been performed in USA, Canada, France, Netherlands, Belgium, Finland, Norway, Sweden and Denmark. She has been awarded the three-year working scholarship by the Danish Arts Council.

On this album the musicians perform Toxvaerd's compositions notated as graphic scores. The graphic scores are shown in Toxvaerd's book *Compositions – 18 Graphic scores by Danish publisher Forlaget Spring*. The art book with her reflective texts about her artistic process is the final **graphic result** of Toxvaerd's artistic research project as an adjunct lecturer at the Rhythmic Music Conservatory, Copenhagen. The project's title is "Composition of graphic and sonic works through the improvisers' co-creation" and was granted by Danish Ministry of Culture's Committee for Artistic Research.

Together with the album **LAURA TOXVAERD COMPOSITIONS PART 1** *Feat. Carsten Dahl, Raymond Strid & Jonas Westergaard* this album presents the final **sonic result** of Toxvaerd's artistic research project.

The album is the 7th album on ILK's **White Label Series** released digital & on 45 numbered, handwritten vinyls, for sale at ILK Music's website.

All compositions by Laura Toxvaerd.
Produced by Kæv Gliemann & Laura Toxvaerd
